3. Communications and Comments
None
4. GPC Hangar Update & Planning
Staff updated commission and carver aero on GPC hangar expansion project. Glider club is interested in old GPC hangar door.

Additional discussion... weeds on asphalt t-hangar apron should be sprayed.
5. Runway 6/24 Project Update
Staff updated commission on runway recon project. Awarding contract to Manatts in October and beginning construction in March 2016.
6. T-Hangar Connector Road Project Update
Staff updated the commission on the t-hangar connector road project. Muscatine Bridge Co. should begin construction in Late September or early October with all work finished this construction season.
7. Hangar Expansion
 - Survey *Reviewed draft survey and Jerry will work with ALPA to help gain other respondents to our survey.*
 - Research Area Airports *Steve Bradford is researching area airports, Bill is researching airplane sizing*
 - Planning *May be able to use TIF financing but state may be removing*
The commission discussed the design of the building and where it would be located. Stacy expressed

his concerns of using the other entrance with there not being a turn off lane. He asks that the city looking into what it will take for a turn lane to be built.

8. IDOT Grant

- Electrical Updates Project

Contract has been awarded to Anderson Bogert. They are planning a site visit with the sub-consultant to review the electrical system. A.B. will have a plan in November.

9. Airport Fence & Beacon

- Grant Submitted to State 8/20
- Still waiting for Mike Collins. Will contact Sheriff Ryan soon.

*Airport fence needs to be addressed, Staff will discuss with Sheriff about making work crews available. Staff will get quotes from other firms to do the work.
Beacon is being order once the grant is approved.*

10. Other Business

The commission insisted the airport electrical lighting issues must be fixed as soon as posable. If Nelson cannot fix it then use tri city as an option.

Meeting Adjourn at 6:30 pm

Next Regular Scheduled Meeting is September 28, 2015 at 5:00pm
