RE: Annual Transit Funding Application

INTRODUCTION:

Annually, the City of Muscatine is required to submit an application to the Iowa Department of Transportation for State and Federal Transit funds.

BACKGROUND:

The City of Muscatine relies on State (STA) and Federal (FTA) Transit Funds to support the city's transit operation. As part of the City's application it is anticipated the city will receive \$361,294 in federal assistance; \$191,657 in state assistance and \$159,800 in statewide federal capital assistance for the replacement of two buses, #240 and #241 for FFY 2014/15. The federal and state assistance for operating \$361,294 and \$191,657, respectively do not require a match from the City of Muscatine. Capital assistance for bus replacement requires the City to contribute 15% of the vehicle cost, or \$14,100 each maximum. \$28,200 for both.

RECOMMENDATION/RATIONALE:

It is the recommendation of the Public Works staff for the Council to approve the Fiscal Year 2014/2015 Application for State and Federal Transit Funds.
