Re: Resolution Endorsing Airport Projects and Certifying Availability of Matching Funds

INTRODUCTION: Attached hereto please find the resolution endorsing FY14 municipal airport projects and certifying the availability of matching funds.

BACKGROUND: State of Iowa airport funding through the IDOT requires cities to take action to officially endorse airport improvement projects and state that they have local matching funds available to meet the 15% local share. It **does not** commit the City (financially) to move forward at this time. As with other airport projects, the City Council must specifically approve each project grant agreement during the respective fiscal year it is programmed and following a state and/or federal determination that funding is available. The funds allocated for this project will be included in the 2016 bond issue.

For your information, the following projects are currently shown for possible state funding:

1. Connector road between hanger access road and t-hangars - 164,640 (State \$139,944 – Local \$24,696)

RECOMMENDATION/RATIONALE: With this in mind, please place the attached resolution on the agenda for City Council consideration during the May 1st meeting.

RESOLUTION NO. _____

**A RESOLUTION ENDORSING MUSCATINE MUNICIPAL AIRPORT
PROJECTS FOR FY2014 AND CERTIFYING THE AVAILABILITY OF

NOW, THEREFORE, BE IT RESOLVED that the City Council for the City of Muscatine, Iowa, has reviewed and hereby endorses the Muscatine Municipal Airport projects for FY2015 and does hereby further certify that local matching funds are available for these projects, as required by the Iowa DOT Office of Aviation.

PASSED, APPROVED, AND ADOPTED by the City Council for the City of Muscatine, Iowa, on this, the 1st day of May, 2014.
