Dear Property Owner(s),

Please be advised that the continued use of the property located at **306 Canon St.**, for the storage of junk and/or salvage constitutes a nuisance as defined in Title 9, Chapter 4, Section 1 (A) (12) of the City Code of Muscatine which reads, "All lots or parcels of land upon which junk, refuse, garbage, or filth is allowed to accumulate." Junk is further defined under Subsection A (15) of the same Title and Chapter as follows, "**Junk** means any metal or wood, whether usable or not, stored in a manner that it constitutes a health or safety hazard."

You are also in violation of Title 9, Chapter 4, Section 1 (A) (11) of the Code which reads, "Any unused, abandoned, junked, or obsolete vehicles whether on private or public property. **A junked or obsolete vehicle shall be a vehicle or a portion thereof, not in running condition or not licensed for the current year as provided by law.**" This section violation refers to the automobile(s) stored on this property.

With this in mind, you are hereby ordered to **ABATE A NUISANCE** within ten (10) days of receipt of this order by removing all junk and/or salvage and any unlicensed and/or inoperable vehicles located on your property. Failure to comply with this order may result in additional action being taken to assure compliance with local law.

You have the right to appeal the determination that the condition of this property constitutes a nuisance by requesting a hearing before the City Council. The request must be in writing and delivered to the City Clerk within ten (10) days from the date of this order or it will be conclusively presumed a nuisance exists and it must be abated as ordered.

If you have any **questions** concerning this order or if I may assist you in some way, please **contact** me at (563) 262-4141 or [gpickering@muscatineia.gov](mailto:gpickering@muscatineia.gov) prior to the imposed deadline.

Your cooperation in this matter is both expected and appreciated.

Sincerely,

Grant W. Pickering
