The Missipi Brewing Company would like to work in conjunction with The Chamber of Commerce to enhance the July 4th community celebration. We are proposing that the entertainment between the parade and the fireworks be held in the street in the 100 block of Iowa Avenue this year in order to alleviate expenses and responsibilities for The Chamber. Our goal is to keep people downtown between the parade and fireworks as well as to make this an annual event that could grow larger every year and eventually be held at the riverfront.

Thank you for your consideration
