Introduction:

The Refuse Collection's fiscal year budget 2014-2015, has \$10,000.00 budgeted for new solid waste dumpster containers.

Background:

The Refuse Collection program services numerous business and commercial accounts, along with City of Muscatine facilities that use dumpsters. As in the past, many of our older dumpsters have been painted and have had metal replaced numerous times. To meet the demand of the dumpsters use, staff requested \$10,000.00 to be utilized for new dumpsters in the upcoming fiscal year.

Staff received prices from two vendors for purchasing of new dumpsters, Gregory Container in Kahoka, Mo and Elliot Equipment. The lowest vendor was Gregory Container in Kahoka, Mo, with prices for the following containers:

- 2 Yard Dumpster - \$400.00
- 3 Yard Dumpster - \$665.00
- 4 Yard Dumpster - \$714.00

Recommendation for Purchase of Solid Waste Dumpster Containers:

Staff's recommendation and request a purchase order for solid waste dumpster containers of the following from Gregory Container:

- 5 – 2 Yard Dumpsters @ \$400.00 each = \$2,000.00
- 10 – 3 Yard Dumpsters @ \$655.00 each = \$6,550.00
- 2 – 4 Yard Dumpsters @ \$1,418.00 each = \$1,428.00

The total cost for all dumpsters ordered would be \$9,978.00

If you have any questions in regards to the following request for approval for purchase order, please let me know.
