Dear Mr. Klimes,

Our Relay for Life team from Kent Corporation would like to host the "April Run Against Cancer" fun walk/run on April 18, 2015. All proceeds go to the Muscatine County Relay for Life raising funds for the American Cancer Society. The run will last approximately 45 minutes to one hour. Dell Wagner with the Muscatine Running Club will again help us organize the race. Dell will be there for the start/finish of our run. We also plan to have some EMT volunteers to be on hand, as well as our local Sherriff's patrol to help with the traffic control.

We would like to start our race on Harrison Street behind Colorado School at approximately 9:00am. The runners will run north on Harrison and turn right on Bandag Dr., cross Colorado into the Weed Park, loop the park, cross Colorado to the Bike Trail, and finish in the drive way of Colorado School. This worked real well last year with minimal running on city streets.

We are also contacting the Bridgestone Bandag, Muscatine Mall, Colorado School, and the Muscatine Sherriff office. Please advise me if there are any other requirements to get this accomplished. We appreciate your input and thank you for your consideration.

Sincerely,

Connie K Stineman
