DATE: February 11, 2015
RE: Snow Plow Purchase

INTRODUCTION:

The City of Muscatine opened bids on Tuesday, February 3, 2015 for a Two Way Snow Plow. \$15,500 has been budgeted for this purchase.

BACKGROUND:

Snow Plows have an obvious purpose and the flexibility that a two-way plow gives operators allows for more efficiency.

RECOMMENDATION/RATIONALE:

The City received one bid from Henderson Truck Equipment in the amount of \$9,920. This price includes two options: 1) "Mail Box Cut" design and 2) Heavy duty truck mount. We have received the majority of our plows from Henderson and are quite satisfied with their product. The new plow will replace a unit that will be kept as a spare until declared surplus property and sold.
