Chapter 2 - Value Added Exemption; Industrial Property

SECTIONS:

- 4-2-1 Partial Exemption
- 4-2-2 Definitions
- 4-2-3 Amount Eligible for Partial Exemption
- 4-2-4 Duration of Partial Exemption
- 4-2-5 Assessment Restriction
- 4-2-6 Application
- 4-2-7 Repeal
- 4-2-8 Dual Exemptions Prohibited

4-2-1 Partial Exemption. This article does hereby provide for a partial exemption pursuant to Chapter 427B of the Code of Iowa from property taxation of the actual value added to the industrial real estate.

(Code of Iowa, Section 427B.1[1])

4-2-2 Definitions:

- A. New Construction. New construction as referred to herein means new buildings and structures and includes new buildings and structures which are constructed as additions to existing buildings and structures.

(Code of Iowa, Section 427B.1[1])

- B. Reconstruction. New construction does not include reconstruction of an existing building or structure which does not constitute complete replacement of an existing building or structure, unless the reconstruction of an existing building or structure is required due to economic obsolescence and the reconstruction is necessary to implement recognized industry standards for the manufacturing and processing of specific products and the reconstruction is required for the owner of the building or structure to continue to competitively manufacture or process those products which determination shall receive prior approval from the City Council of the City upon the recommendation of the Iowa Development Commission.

(Code of Iowa, Section 427B.1[1])

- C. Actual Value Added. Actual Value Added, as used in this Chapter, means the actual value added as of the first year for which the exemption is received, except that actual value added by improvements to machinery and equipment means the actual value as determined by the assessor as of January 1 of each year for which the exemption is received.

(Code of Iowa, Section 427B.3[1])

4-2-3 Amount Eligible for Partial Exemption. The amount of actual value added which is eligible to be exempt from taxation shall be as follows:

- A. For the first year, seventy-five percent.
- B. For the second year, sixty percent.
- C. For the third year, forty-five percent.
- D. For the fourth year, thirty percent.
- E. For the fifth year, fifteen percent.

(Code of Iowa, Section 427B.3[3a])

4-2-4 Duration of Partial Exemption. The actual value added to industrial real estate for the reasons specified in Section 427B.1 is eligible to receive a partial exemption from taxation for a period of five years. However, if property ceases to be classified as industrial real estate or ceases to be used as a warehouse or distribution center, the partial exemption for the value added shall not be allowed for subsequent assessment years.

(Code of Iowa, Section 427B.3[2])

4-2-5 Assessment Restriction: The granting of the exemption under this Section for new construction constituting complete replacement of an existing building or structure shall not result in the assessed value of the industrial real estate being reduced below the assessed value of the industrial real estate before the start of the new construction added.

(Code of Iowa, Section 427B.3[4])

4-2-6 Application. An application shall be filed for each project resulting in actual value added for which an exemption is claimed. The application for exemption shall be filed by the owner of the property with the local assessor by February 1 of the assessment year in which the value added is first assessed for taxation. Applications for exemption shall be made on forms prescribed by the director of revenue and shall contain information pertaining to the nature of the improvement, its cost, and other information deemed necessary by the director of revenue.

A person may submit a proposal to the City Council of the City to receive prior approval for eligibility for a tax exemption on new construction. The City Council, by ordinance, may give its prior approval of a tax exemption for new construction if the new construction is in conformance with the zoning plans for the City. The prior approval shall also be subject to the hearing requirements of Section 427B.1.

Prior approval does not entitle the owner to exemption from taxation until the new construction has been completed and found to be qualified real estate. However, if the tax exemption for new construction is not approved, the person may submit an amended proposal to the City Council to approve or reject.

(Code of Iowa, Section 427B.4)

4-2-7 Repeal. When in the opinion of the City Council continuation of the exemption granted in this Article ceases to be of benefit to the City, the City Council may repeal this Ordinance, but all existing exemptions shall continue until their expiration.

(Code of Iowa, Section 427B.5)

4-2-8 Dual Exemptions Prohibited. A property tax exemption under this Chapter shall not be granted if the property for which the exemption is claimed has received any other property tax exemption authorized by law.

(Code of Iowa, Section 427B.6)
