
MEMORANDUM

TO: RANDY HILL, PUBLIC WORKS DIRECTOR
FROM: JIM EDGMOND, CITY ENGINEER
SUBJECT: 2015 SIDEWALK PROGRAM PROJECT AWARD
DATE: JUNE 15th, 2015

INTRODUCTION:

The City of Muscatine received bids on the 2015 Sidewalk Program Project on June 15th, 2015.

BACKGROUND:

The engineer's estimate was \$128,878 which included a contingency. Bids were received as follows:

- | | |
|--------------------------|--------------|
| 1. Heuer Construction | \$157,452.00 |
| 2. All American Concrete | \$149,762.00 |

The unit prices have been reviewed. It does not appear that the unit prices are unbalanced on the low bid. The differences in unit prices on several items appears to be the contractors putting the assumed risk of the contract in different unit prices. A bid tabulation is attached.

All American Construction has successfully performed concrete work on numerous Muscatine projects. Cedar Street Reconstruction currently under contract with All American is approaching completion. The City construction staff is satisfied with work done by All American.

RECOMMENDATION/RATIONALE:

The city engineer recommends awarding the 2015 Sidewalk Program Project to All American Construction \$149,762.00.
