DEVELOPMENT AGREEMENT

This Agreement is entered into between the City of Muscatine, Iowa (the "City") and Union Tank Car Company (the "Company") as of the ___ day of October, 2015 (the "Commencement Date").

WHEREAS, the City has established the Consolidated Muscatine Urban Renewal Area (the "Urban Renewal Area"), and has adopted a tax increment ordinance for the Urban Renewal Area; and

WHEREAS, the Company owns certain real property which is situated in the City and lies within the Urban Renewal Area and is more specifically described on Exhibit A hereto (the "Property"); and

WHEREAS, the Company has proposed to undertake the expansion of its coating and repair shop facilities, operations and workforce on the Property (the "Project"); and

WHEREAS, the Company has requested that the City provide financial assistance in the form of incremental property tax payments to be used by the Company in paying the costs of constructing and maintaining the Project; and

WHEREAS, the base valuation of the Property for purposes of Section 403.19 of the Code of Iowa is \$2,745,870 (the "Base Valuation"); and

WHEREAS, Chapter 15A of the Code of Iowa authorizes cities to provide grants, loans, guarantees, tax incentives and other financial assistance to or for the benefit of private persons;

NOW THEREFORE, the parties hereto agree as follows:

A. Company's Covenants

1. Project Construction. The Company agrees to construct the Project on the Property and to maintain and use the completed Project as part of its business operations throughout the Term, as hereinafter defined. Furthermore, the Company agrees to invest not less than \$1,905,000 into capital improvements for the Project, including construction work and equipment acquisition. The Company also agrees to comply with all provisions of the Iowa Department of Economic Development Authority High Quality Jobs application. The Company will submit a detailed site plan (the "Site Plan") for the development of the Project to the City. Upon approval by the City, the Site Plan will be attached as Exhibit B hereto. The Company agrees to construct the Project in accordance with the Site Plan and to substantially complete such construction by no later than December 31, 2015.

2. Property Taxes. The Company agrees to make timely payment of all property taxes as they come due with respect to the Property with the completed Project thereon throughout the Term, as hereinafter defined, and to submit a receipt or cancelled check in evidence of each such payment.

3. **Company's Certifications.** The Company agrees to submit documentation to the satisfaction of the City by no later than each October 15 during the Term, as hereinafter defined, commencing October 15, 2016, demonstrating that the completed Project is being used as part of the Company's business operations and that the ongoing use of the Project is in compliance with the terms of a certain agreement between the Company and the State of Iowa (the "State Agreement") as set forth on Exhibit C hereto.

4. **Property Tax Payment Certification.** Furthermore, the Company agrees to certify to the City by no later than October 15 of each year during the Term, as hereinafter defined, commencing October 15, 2016, an amount (the "Company's Estimate") equal to 50% (the "Annual Percentage") of the estimated Incremental Property Tax Revenues anticipated to be paid in the fiscal year immediately following such certification with respect to the taxable valuation of the Property. In submitting each such Company's estimate, the Company will complete and submit the worksheet attached hereto as Exhibit D. The City reserves the right to review and request revisions to each such Company's Estimate to ensure the accuracy of the figures submitted. For purposes of this Agreement, Incremental Property Tax Revenues are calculated by: (1) determining the consolidated property tax levy (city, county, school, etc.) then in effect with respect to taxation of the Property; (2) subtracting (a) the debt service levies of all taxing jurisdictions, (b) the school district instructional support and physical plant and equipment levies and (c) any other levies which may be exempted from such calculation by action of the Iowa General Assembly; (3) multiplying the resulting modified consolidated levy rate times any incremental growth in the taxable valuation of the Property, as shown on the property tax rolls of Muscatine County, above and beyond the Base Valuation; and (4) deducting any property tax credits which shall be available with respect to the Property.

Upon request, the City staff shall provide reasonable assistance to the Company in completing the worksheet required under this Section A.4.

5. **Remedy.** The Company hereby acknowledges that failure to comply with the requirements of this Section A, will result in the City having the right to withhold Payments under Section B of this Agreement at its sole discretion, until such time as the Company has demonstrated, to the satisfaction of the City, that it has cured such non-compliance.

6. **Legal and Administrative Costs.** The Company hereby agrees to pay for the legal fees and administrative costs incurred by the City in connection with the drafting, negotiation and authorization of this Agreement, including the prerequisite amendment to the urban renewal plan, up to an amount not in excess of \$4,000. The Company agrees to remit payment to the City within 30-days of the submission of reasonable documentation by the City to the Company evidencing such costs.

B. City's Obligations

1. **Payments.** In recognition of the Company's obligations set out above, the City agrees to make ten (10) annual economic development tax increment payments (the "Payments") to the Company during the Term, as hereinafter defined, pursuant to Chapters 15A and 403 of the Code of Iowa, provided however that the aggregate, total amount of the Payments shall not exceed Forty-Five Thousand Dollars (\$45,000) (the "Maximum Payment

Total”), and all Payments under this Agreement shall be subject to annual appropriation by the City Council, as provided hereunder.

The Payments shall not constitute general obligations of the City, but shall be made solely and only from Incremental Property Tax Revenues received by the City from the Muscatine County Treasurer attributable to the taxable valuation of the Property.

Each Payment shall not exceed an amount which represents the Annual Percentage of the Incremental Property Tax Revenues available to the City with respect to the Property during the Twelve (12) months immediately preceding each Payment date.

This Agreement assumes that the new valuation from the Project will go on the property tax rolls as of January 1, 2016. Accordingly, Payments will be made on June 1 of each fiscal year, beginning June 1, 2018, and continuing through and including June 1, 2027, or until such earlier date upon which total Payments equal to the Maximum Payment Total have been made.

2. Annual Appropriation. Each Payment shall be subject to annual appropriation by the City Council. Prior to December 1 of each year during the Term of this Agreement, commencing in calendar year 2016, the City Council of the City shall consider the question of obligating for appropriation to the funding of the Payments due in the following fiscal year, an amount (the “Appropriated Amount”) of Incremental Property Tax Revenues to be collected in the following fiscal year equal to or less than the most recently submitted Company’s Estimate.

In any given fiscal year, if the City Council determines to not obligate the then-considered Appropriated Amount, then the City will be under no obligation to fund the Payments scheduled to become due in the following fiscal year, and the Company will have no rights whatsoever to compel the City to make such Payments or to seek damages relative thereto or to compel the funding of such Payments in future fiscal years. A determination by the City Council to not obligate funds for any particular fiscal year’s Payments shall not render this Agreement null and void, and the Company shall make the next succeeding submission of the Company’s Estimate as called for in Section A.4 above, provided however that no Payment shall be made after June 1, 2027.

3. Payment Amounts. Each Payment shall be in an amount equal to the corresponding Appropriated Amount (for example, for the Payment due on June 1, 2019, the amount of such Payment would be determined by the Appropriated Amount determined for certification by December 1, 2017), provided, however, that each Payment shall not exceed the amount of Incremental Property Tax Revenues (excluding allocations of “back-fill” or “make-up” payments from the State of Iowa for property tax credits or roll-back) received by the City from the Muscatine County Treasurer attributable to the taxable valuation of the Property factored by the Annual Percentage.

4. **Certification of Payment Obligation.** In any given fiscal year, if the City Council determines to obligate the then-considered Appropriated Amount, as set forth in Section B.1 above, then the City Clerk will certify by December 1 of each such year to the Muscatine County Auditor an amount equal to the most recently obligated Appropriated Amount.

C. **Administrative Provisions**

1. **Amendment and Assignment.** This Agreement may not be amended or assigned by either party without the written consent of the other party. However, the City hereby gives its permission that the Company's rights to receive the Payments hereunder may be assigned by the Company to a private lender, as security on a credit facility taken with respect to the Project, without further action on the part of the City.

2. **Successors.** This Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties.

3. **Term.** The term (the "Term") of this Agreement shall commence on the Commencement Date and end on June 1, 2027 or on such earlier date upon which the aggregate sum of Payments made to the Company equals the Maximum Payment Total.

4. **Choice of Law.** This Agreement shall be deemed to be a contract made under the laws of the State of Iowa and for all purposes shall be governed by and construed in accordance with laws of the State of Iowa.

The City and the Company have caused this Agreement to be signed, in their names and on their behalf by their duly authorized officers, all as of the day and date written above.

9.2 Default by Community. An unremedied Event of Default may result in termination of this Contract and repayment by Community of all or a portion of the pledged local match, plus applicable default interest and costs.

(a) *Events of Default.* Any one or more of the following shall constitute an "Event of Default by Community" under this Contract:

1. *Noncompliance with Covenants.* Default in the observance or performance of any covenants of the Community set forth in Article 8, for more than five (5) business days; or

(b) *Notice of Default and Opportunity to Cure.* If IEDA has reasonable cause to believe that an Event of Default has occurred under this Contract, IEDA shall issue a written Notice of Default to the Community setting forth the nature of the alleged default in reasonable specificity and providing therein a reasonable period of time, which shall not be fewer than thirty (30) days from the date of the Notice of Default, during which the Community shall have an opportunity to cure, provided that cure is possible and feasible.

(c) *Remedies Available to IEDA.* When an Event of Default by Community has occurred and is not cured within the required time period, IEDA may, after written notice to Community:

1. Suspend or reduce pending and future disbursements to Community.

2. Require repayment by Community of the amount of local financial assistance pledged to the Project but not provided.

(d) *Default Interest Rate.* If an Event of Default occurs and remains uncured, a default interest rate
