### **INTRODUCTION:**

The Police Department is requesting to purchase two (2) Stalker radar units. They are the sole vendor and have the state bid in Iowa.

### **BACKGROUND:**

These two (2) radar units will be replacements for two of the older units we currently have in service. These will be placed into the new squads we will have in the spring of 2017. These two units were budgeted for and approved for FY 2015/2016. We budgeted for \$5400. The actual cost will be \$5732

### **RECOMMENDATION/RATIONALE:**

It is the police department recommendation that City Council approve the purchase of two (2) new Stalker radar units in the amount of \$5732 to install into the new squads when they arrive in early spring 2017.
