RE: Council Action – Request Approval to Remove “No Parking” at 6th & Mulberry

INTRODUCTION:

The City’s Traffic Committee was asked to consider removing the “No Parking” signs on the southwest side of Mulberry at E. 6th.

BACKGROUND:

At one time “No Parking” was requested by a business at that location to allow their vehicles to enter and exit safely onto Mulberry. The business no longer exists at 6th & Mulberry. .

RECOMMENDATION/RATIONALE:

The Traffic Committee recommends the removal of the “No Parking” signs (two) at 6th & Mulberry. These are the signs on the Southwest side of Mulberry between E. 6th and the #6 alley. See attached. Removal of the “No Parking” signs will add an additional 2-3 on-street parking stalls. These additional stalls will offset the loss of two on-street parking spaces caused because of the new pizza business.
