Re: Fixed Base Operator Lease – Muscatine Municipal Airport

INTRODUCTION: Attached to this memorandum, please find a copy of the proposed Fixed Base Operator Lease (FBO) with Carver Aero, Inc.

BACKGROUND: Over the last 30+ years, the City of Muscatine has engaged the services of a professional Fixed Base Operator (FBO) to conduct airport operations under lease. The Lease provides for Lease terms, payment to the City, FBO responsibilities, insurance coverage and termination clauses, among others in 17 separate Articles. The proposed Lease has been reviewed with the current Lessee (Carver Aero) and has been approved. The Airport Advisory Commission has discussed the current FBO (Carver) performance and has unanimously recommended a new lease. The lease is subject to an annual review of the terms and conditions of the lease by the Airport Advisory Commission each January. Prior to consideration of a lease, a public hearing is required.

RECOMMENDATION/RATIONALE: It is recommended that the City Council adopt the attached resolution during their October 6, 2016 meeting, setting the time and place of a public hearing to consider approval of a lease for Fixed Base Operations at the Muscatine Municipal Airport together with the publication of the required public notice.
