**FIRE DEPARTMENT**

TO: Gregg Mandsager, City Administrator

FROM: Jerry Ewers, Fire Chief

DATE: March 13, 2017

SUBJECT: City Council Agenda Item – Request Road Closure for Training Burn

**INTRODUCTION:**

The Muscatine Fire Department is requesting that Hershey Avenue between Ash Street and Green Street along with Green Street between Hershey Avenue and Mill Street be closed on March 25<sup>th</sup> from 7:00 a.m. through 7:00 p.m. for a large scale training fire at the former Beach Lumber site on Hershey.

**BACKGROUND:**

The Muscatine Fire Department has been afforded the opportunity to conduct a large scale live fire training event at the former Beach Lumber Company site on Hershey. This large training exercise will also include many of the county fire departments participating also.

This scheduled training burn and road closure request has been reviewed through the traffic committee. DNR notification has been made and asbestos abatement will have been remedied prior to the burn. The Fire Department will install door knockers to adjacent property owners that will be affected by the road closure and training fire. This event will also be broadcast through various forms of social media.

In order to provide for the utmost safety of the training participants and the public as a whole, the department is requesting the closure of Hershey between Ash and Green Street and Green Street between Hershey and Mill on March 25<sup>th</sup>.

**RECOMMENDATION/RATIONALE:**

It is staff's recommendation that Hershey Avenue be closed on March 25<sup>th</sup> from 7:00 a.m. through 7:00 p.m. in order to safely conduct a large scale training event at Beach Lumber. The alternate date for the burn will be April 1<sup>st</sup>.

# BEACH LUMBER BURN

## March 25, 2017

### **CITY OF MUSCATINE NOTICE**

On Saturday, March 25<sup>th</sup> the Muscatine Fire Department will be conducting a training burn at the former Beach Lumber Building. In order to ensure public safety a road closure will be set up on Hershey Avenue and will be in effect from 7am to 7pm. The actual burn is schedule to begin at noon and be completed by 5pm. It is recommended that you keep all windows in your home closed during this period. If you suffer from smoke allergies or asthma you may wish to plan on being away from your residence during this time.

Access to Hershey Avenue between Ash and Green Streets will be restricted; however if you live between the closure you may enter and exit but be sure to let the police or fire department know where you live and limit visits from friends or family because they likely will not be permitted through.

If you have any questions, please contact Fire Chief Ewers at 563-263-9233.

In the event that weather conditions do not permit a burn on March 25<sup>th</sup> the backup date will be April 1<sup>st</sup>.

Thank you for your patience.
