To: Brian Stineman, Public Works Director  
FROM: Jim Edgmond, City Engineer  
DATE: April 5, 2017  
RE: Mississippi Drive Corridor Project, Approval of PO for removal of fire debris from Old Beach Lumber site

### INTRODUCTION:

Fire debris and partial foundations are left on the site of the old Beach Lumber site. To make this site safe additional work needs to be done.

### BACKGROUND:

Two of the buildings on the old Beach Lumber site have been burned in a training burn for the Fire Department. The remaining debris from this burn needs to be excavated and hauled to the land fill. In addition to this work, there are a few spots where dirt needs to be hauled in after the removal work to fill in voids that could be safety hazards. Three bids/proposals were received to do this work and are listed below.

- |    |                       |             |
|----|-----------------------|-------------|
| 1. | Brauns Excavating LLC | \$9,000.00  |
| 2. | Muscatine Bridge Co.  | \$9,480.00  |
| 3. | BMW Builders II       | \$10,000.00 |

### RECOMMENDATION/RATIONALE:

Recommend city council approve issuing a purchase order (PO) for Brauns Excavating LLC in the amount of \$9,000.00.
