Introduction & Background: The City of Muscatine and the Historic Preservation Commission have worked for many years to develop historic districts in appropriate locations across the City of Muscatine. The proposed historic district at the top of their list is the Fair Oaks area located around Weed Park. The total project cost is estimated at \$23,603.00. The grant will fund \$15,700. The remaining \$7,903.00 is the local match and is proposed to be funded by in-kind contributed of staff time, city resources and cash donated by Friends of Muscatine Historic Preservation. No city cash will be used for this grant project.

This request is only to submit the application. If approved, the grant agreement with the Iowa DOT will be brought before Council for approval.
