RE: Recommendation to approve Contract and bond for the REBID of Phase I of Mississippi Drive Corridor (MDC) Project

INTRODUCTION:

The City of Muscatine has received bids for the rebid of the MDC and approved the award of the project to KE Flatwork Inc. The City of Muscatine anticipates receiving the signed contract and performance and payment bond from KE Flatwork prior to the Council Meeting on the 20th of April, 2017.

BACKGROUND:

All the steps are complete for award of this contract after the rebid. The only remaining action is to approve the contract and bond for the project.

The city would like to proceed as quickly as possible towards a notice to proceed and the start of construction so staff is requesting that if at all possible the contracts be signed by the Mayor at the end of the council meeting on the 20th.

RECOMMENDATION/RATIONALE:

The city engineer recommends approving the contract and bond for the Mississippi Drive Corridor Project. Staff also requests the signature of the contract at the end of the council meeting on the 20th of April.
