MEMORANDUM

Equipment Maintenance
Roadway Maintenance
Collection & Drainage
Building & Grounds
Engineering

To: Brian Stineman, Public Works Director
CC: Gregg Mandsager, City Administrator
FROM: Randy Howell
DATE: May 30, 2017
RE: Mid-Mount Wing Plow

INTRODUCTION:

Roadway Maintenance staff is wanting to purchase a 2017 Mid-Mount Wing Plow to be mounted on a single axle dump truck.

BACKGROUND:

The Mid-Mount Wing Plow is an addition to our snow fighting equipment. We have been adding them to our plow trucks the last couple of years. They are used to speed up snow plowing. It allows us to plow our emergency routes in one pass, instead of two. On heavy snow events, this wing plow allows us to bench plow back drifted areas, and on certain streets, plow back to the curb in a single pass.

RECOMMENDATION/RATIONALE:

City Staff received three bids on Friday May 26, 2017. The low bid was from Henderson Truck Equipment, Manchester, Iowa in the amount of \$10,250.00. The budgeted amount for this mid-Mount Wing Plow was \$10,500.00.
