MEMORANDUM

To: Gregg Mandsager, City Administrator

From: Pam Collins, Library Director
Nancy A. Lueck, Finance Director

Date: February 12th, 2018

RE: Request for Council Approval of Issuance of Purchase Order for Library Furnishings from Allsteel.

Introduction: As part of the Musser Public Library & HNI Community Center Building Project, the Library will need to furnish the building with appropriate Library and Community Center furniture. As part of the original building donation, HNI generously donated several items to be reused in the new facility. Allsteel has submitted a proposal to provide the remaining necessary pieces to complete the furnishings portion of the project.

Background: The State Code of Iowa sets the requirements for governmental entities to follow for public improvement projects which include street, sewer, building, parks, and similar projects. The State Code only mandates requirements for public improvement projects. Other purchases by the City are set by City policy.

The City of Muscatine's Purchasing Manual includes provisions for quotations and bidding for the purchase of materials and equipment. The policy provides that bids be solicited for materials and equipment valued at over \$10,000 and these purchases be approved by City Council (except for routine repairs, maintenance, and normal operating expenditures).

HNI Corporation donated their former headquarters building to the City to be used as the new Musser Public Library and HNI Community Center. HNI also donated a substantial amount of staff time to assist City staff in determining the furnishing and furniture needs for the new facility in lieu of the City contracting for this service. For furniture and furnishings that can be purchased from HNI, HNI has offered a substantial discount over the list prices of these pieces. Given HNI's donation, it was the intent to utilize HNI furniture throughout the facility where possible. With HNI's involvement in the overall project and their company name being part of the name of the new facility, it is recommended that City Council waive the requirement for formal bidding and authorize the issuance of a purchase order in the amount of \$181,695.44 to HNI for the purchase of furniture and furnishings for the new library facility.

With extensive assistance from Allsteel staff, the Library selected the necessary items to complete the furnishings portion of the project. Allsteel facilitated this design phase (valued at

\$30,000) at no charge to the Library. Allsteel's subsequent proposal carried a list price of \$466,111. This price has been heavily discounted by Allsteel by approximately 61% resulting in a total cost of **\$181,695.44**. At the beginning of the project, the Library budgeted this cost at \$125,000. Savings in other line items are expected to offset a portion of the additional costs.

Recommendation/Rationale:

The Library recommends that City Council authorize the issuance of a purchase order to HNI for the Allsteel furniture proposal. Allsteel is the industry leader in office furnishings and has provided the Library and Community Center with an outstanding proposal that will be an amenity for the community of Muscatine for years to come.

TOPIC FOR CONVERSATION:

ON OPN'S PLAN, THEY INDICATED ROOM 206 AS AN OFFICE AND 211 AS A STUDY ROOM.

BECAUSE ROOM 206 IS CURRENTLY EMPTY AND ROOM 211 CURRENTLY HAS A CUSTOM OFFICE SETUP INSTALLED, I WOULD PROPOSE RETAINING ROOM 211 AS AN OFFICE AND USE 206 AS A STUDY ROOM.
