The system may be managed by a private contractor that owns and operates the requisite equipment with supervisory control vested in the Muscatine Police Department. Photographs, video or digital images shall be provided by the contractor to the Muscatine Police Department for review. The Muscatine Police Department will determine which vehicle owners are in violation of the City's traffic control ordinance and are to receive a notice of violation for the offense.

7-5-2 Definitions.

- A. Automated Traffic Enforcement System. An electronic system consisting of photographic, video or electronic camera and a vehicle sensor installed to work in conjunction with an official traffic control device or mobile unit, as calibrated by Police Department employees or their agents, to automatically produce photographs, video or digital images of each vehicle that violates a standard traffic control device or speed restriction.
- B. Vehicle Owner. The person or entity identified by the Iowa Department of Transportation, or registered with any other state vehicle registration office, as the registered owner of a vehicle. However, if the vehicle is leased or rented, "owner" means the person to whom the vehicle is leased or rented, not the person to whom the certificate of title for the vehicle has been issued or assigned or to whom the manufacturer's or importer's certificate of origin for the vehicle has been delivered or assigned. For purposes of this section, "leased" or "rented" means the transfer of the possession or right to possession of a vehicle to a lessee for a valuable consideration for a continuous period pursuant to a written agreement.

7-5-3 Offense.

- A. The vehicle owner shall be liable for a fine as imposed below if such vehicle crosses a marked stop line or the intersection plane at a system location when the traffic signal for that vehicle's direction is emitting a steady red light or red arrow.
- B. The vehicle owner shall be liable for a fine as provided in Section 7-5-5 of this Code of Ordinances if such vehicle travels at a speed above the posted speed limit.
- C. The citation will in no event be sent or reported to the Iowa Department of Transportation or similar department of any state for the purposes of being added to the vehicle owner's driving record.

7-5-4 Exceptions to Owner Liability. There shall be no liability pursuant to this Section if:

- A. The operator of the vehicle in question was issued a uniform traffic citation for the violation in question pursuant to Section 321 of the Code of Iowa or Section 7-1-5 of the City Code; or
- B. The violation occurred at any time after the vehicle in question or its state registration plates were reported to a law enforcement agency as having been stolen, provided that the vehicle or its plates had not been recovered by the vehicle owner at the time of the alleged violation; or
- C. The vehicle in question was lawfully participating in a funeral procession; or
- D. The officer inspecting the recorded image determines that the vehicle in question entered the intersection in order to yield the right-of-way to an emergency vehicle.

7-5-5 Penalty and Appeal.

- A. Any violation of Subsection 7-5-3(A) shall be considered a notice of violation for which a civil fine of seventy-five dollars (\$75.00) shall be imposed, payable to the City of Muscatine.
- B. Any violation of Subsection 7-5-3(B) shall be considered a notice of violation for which a civil fine as listed in the tables below shall be imposed, payable to the City of Muscatine.

- C. A recipient of an automated traffic citation may contact the issuing officer and ask for an in-person review of the citation, the facts surrounding the issuance of the citation and to present any extenuating circumstances that pertain to that violation. Based on this review the issuing officer may sustain or void the citation.

- D. A recipient of an automated traffic citation may dispute the citation by requesting the issuance of a municipal infraction citation by the Police Department within the first thirty (30) days after the violation notice was mailed. Such request will result in a required court appearance by the recipient and in the scheduling of a trial before a judge or magistrate at the Muscatine County Courthouse. The issuance of a municipal infraction citation will cause the imposition of state mandated court costs to be added to the amount of the violation in the event of a guilty finding by the court.
- E. If a recipient of an automated traffic enforcement citation does not pay the fine by the stated due date or request a trial before a judge or magistrate within the thirty (30) days following the mailing of the notice, a second violation notice shall be mailed with a thirty-five dollar (\$35.00) late fee added to the civil fine. If at the end of the thirty (30) day period the recipient of the automated traffic enforcement citation does not pay the fine or request a trial before a judge or magistrate the recipient shall be deemed guilty of violation and held liable for the fine plus the late fee.
- F. If the recipient of an automated traffic enforcement citation does not pay the fine and late fee by the stated due date on the second violation notice the civil penalties imposed under the provisions of this Ordinance shall be collectible, together with any interest and penalties thereon, by either a private agency on behalf of the City or by civil-suit.

7-13-1 Definitions. For use in this Chapter the following terms are defined:

(Code of Iowa, Sec. 321.89[1])

- A. "Abandoned vehicle" means any of the following:
 - 1. A vehicle that has been left unattended on public property for more than twenty-four (24) hours and lacks current registration plates or two or more wheels or other parts which renders the vehicle totally inoperable.
 - 2. A vehicle that has remained illegally on public property for more than twenty-four (24) hours.

 - 6. A vehicle that has been impounded pursuant to Section 321J.4B of the Code of Iowa by order of the court and whose owner has not paid the impoundment fees after notification by the person or agency responsible for carrying out the impoundment order.
- B. "Demolisher" means a person licensed under Chapter 321H of the Code of Iowa whose business it is to convert a vehicle to junk, processed scrap or scrap metal, or otherwise to wreck, or dismantle vehicles.
- C. "Garage keeper" means any operator of a parking place or establishment, motor vehicle storage facility, or establishment for the servicing, repair, or maintenance of motor vehicles.

(Iowa Code, Section 321.90)

- D. "Police authority" means the Iowa state patrol or any law enforcement agency of a county or city.

7-13-2 Authority to Take Possession of Abandoned Vehicles. A police authority, upon the authority's own initiative or upon the request of any other authority having the duties of control of highways or traffic, shall take into custody an abandoned vehicle on public property and may take into custody any abandoned vehicle on private property. The police authority may employ its own personnel, equipment, and facilities or hire a private entity, equipment, and facilities for the purpose of removing, preserving, storing, or disposing of abandoned vehicles. A property owner or other person in control of private property may employ a private entity which is a garage keeper (any operator of a parking place or establishment, motor vehicle storage facility, or establishment for the servicing, repair, or maintenance of motor vehicles) to dispose of an abandoned vehicle, and the private entity may take into custody the abandoned vehicle without a police authority's initiative. If a police authority employs a private entity to dispose of abandoned vehicles, the police authority shall provide the private entity with the names and addresses of the registered owners, all lienholders of record, and any other known claimant to the vehicle or the personal property found in the vehicle.

(Code of Iowa, Sec. 321.89[2])

7-13-3 Notice By Mail. The police authority or private entity that takes into custody an abandoned vehicle shall notify, within twenty (20) days, by certified mail, the last known registered owner of the vehicle, all lienholders of record, and any other known claimant to the vehicle or to personal property found in the vehicle, addressed to the parties' last known addresses of record, that the abandoned vehicle has been taken into custody. Notice shall be deemed given when mailed. The notice shall describe the year, make, model and vehicle identification number of the vehicle, describe the personal property found in the vehicle, set forth the location of the facility where the vehicle is being held, and inform the persons receiving the notice of their right to reclaim the vehicle and personal property within ten (10) days after the effective date of the notice upon payment of all towing, preservation, and storage charges resulting from placing the vehicle in custody and upon payment of the costs of the notice. The notice shall also state that the failure of the owner, lienholders or claimants to exercise their right to reclaim the vehicle or personal property within the time provided shall be deemed a waiver by the owner, lienholders and claimants of all right, title, claim and interest in the vehicle or personal property and that failure to reclaim the vehicle or personal property is deemed consent to the sale of the vehicle at a public auction or disposal of the vehicle to a demolisher and to disposal of the personal property by sale or destruction. If the abandoned vehicle was taken into custody by a private entity without a police authority's initiative, the notice shall state that the private entity may claim a garage keeper's lien as described in Section 321.90 of the Code of Iowa, and may proceed to sell or dispose of the vehicle. If the abandoned vehicle was taken into custody by a police authority or by a private entity hired by a police authority, the notice shall state that any person claiming rightful possession of the vehicle or personal property who disputes the planned disposition of the vehicle or property by the police authority or private entity or of the assessment of fees and charges provided by this Section may ask for an evidentiary hearing before the police authority to contest those matters. If the persons receiving notice do not ask for a hearing or exercise their right to reclaim the vehicle or personal property within the ten-day reclaiming period, the owner, lienholders or claimants shall no longer have any right, title, claim, or interest in or to the vehicle or the personal property. A court in any case in law or equity shall not recognize any right, title, claim, or interest of the owner, lienholders or claimants after the expiration of the ten-day reclaiming period.

(Code of Iowa, Sec. 321.89[3a])

7-13-4 Notification In Newspaper. If it is impossible to determine with reasonable certainty the identity and addresses of the last registered owner and all lienholders, notice by one publication in one newspaper of general circulation in the area where the vehicle was abandoned shall be sufficient to meet all requirements of notice under Section 7-13-3. The published notice

may contain multiple listings of abandoned vehicles and personal property but shall be published within the same time requirements and contain the same information as prescribed for mailed notice in Section 7-13-3.

(Code of Iowa, Sec. 321.89[3b])

7-13-5 Fees for Impoundment. The owner, lienholder or claimant shall pay all towing and storage fees as established by the storage facility, whereupon the vehicle shall be released.

(Code of Iowa, Sec. 321.89[3a])

7-13-6 Disposal of Abandoned Vehicles. If an abandoned vehicle has not been reclaimed as provided herein, the police authority or private entity shall make a determination as to whether or not the motor vehicle should be sold for use upon the highways, and shall dispose of the motor vehicle in accordance with State law.

(Code of Iowa, Sec. 321.89[4])

7-13-7 Disposal of Totally Inoperable Vehicles. The City or any person upon whose property or in whose possession is found any abandoned motor vehicle, or any person being the owner of a motor vehicle whose title certificate is faulty, lost or destroyed, may dispose of such motor vehicle to a demolisher for junk, without a title and without notification procedures, if such motor vehicle lacks an engine or two or more wheels or other structural part which renders the vehicle totally inoperable. The police authority shall give the applicant a certificate of authority. The applicant shall then apply to the County Treasurer for a junking certificate and shall surrender the certificate of authority in lieu of the certificate of title.

(Code of Iowa, Sec. 321.90[2e])

7-13-8 Proceeds from Sales. Proceeds from the sale of any abandoned vehicle shall be applied to the expense of auction, cost of towing, preserving, storing, and notification required, in accordance with State law. Any balance shall be held for the owner of the motor vehicle or entitled lienholder for ninety (90) days, and then shall be deposited in the State Road Use Tax Fund. Where the sale of any vehicle fails to realize the amount necessary to meet costs the police authority shall apply for reimbursement from the Department of Transportation.

(Code of Iowa, Sec. 321.89[4])

7-13-9 Duties of Demolisher. Any demolisher who purchases or otherwise acquires an abandoned motor vehicle for junk shall junk, scrap, wreck, dismantle, or otherwise demolish such motor vehicle. A demolisher shall not junk, scrap, wreck, dismantle, or demolish a vehicle until the demolisher has obtained the junking certificate issued for the vehicle.

(Code of Iowa, Sec. 321.90[3a])
