RE: 2018 33,000 G.V.W. Dump Body Bids

---

**INTRODUCTION:**

Roadway Maintenance staff is needs to purchase a Stainless Steel Dump Body for a 2006 Freightliner Single Axle Truck Chassis.

**BACKGROUND:**

The Public Works Department replaces dump bodies on our old truck chassis when they rust out, and no longer work. This Stainless Steel Dump Body will be installed on a 2006 Freightliner Truck Chassis. The current dump body has rusted out along the lower portion of the frame structure, and the hydraulic system no longer works.

**RECOMMENDATION/RATIONALE:**

City Staff received four bids on Thursday October 24, 2018. The low bid was from Henderson Manufacturing Inc., Manchester, Iowa in the amount of \$35,227.00. We request that the City Council award the bid to Henderson Manufacturing Inc., Manchester, Ia. In the amount of \$35,227.00. The budgeted amount was \$40,000.00. If you have any questions, please contact me.
