RE: Request to Sign Agreement Addendum for the Westside Trail Project.
Sub Recipient= City of Muscatine
Sub recipient DUNS No.=080292048
Project No.= TAP-U-5330(630)-8I-70

INTRODUCTION:

The Westside Trail Funding is in place. However, BiState MPO has informed Muscatine that they have reallocated unused earmarks in our region and that there is an additional \$72,926.16 available for the project. The only action necessary to secure this money is to approve a request to sign the addendum to the agreement already in place for the project.

BACKGROUND:

Attached are three copies of the addendum for Agreement No. 19-TAP-123. Staff recommends City Council accept the funds and authorize the Mayor to sign the addendum.

RECOMMENDATION/RATIONALE:

Staff recommends that council approve the request to sign the agreement addendum for the additional \$72,926.16. The Project Development Team will do the Construction Engineering estimated at \$90,000 to save these consultant costs.
