

Muscatine County Board of Supervisors  
Monday, August 26, 2019

The Muscatine County Board of Supervisors met in regular session at 9:00 A.M. with Holliday, Sauer, Mather, Sorensen and Saucedo present. Chairperson Mather presiding.

On a motion by Sorensen, second by Saucedo, the agenda was approved as presented. Ayes: All.

Cyle Geertz stated his brother Chuck Geertz, a 23-year Army veteran, was killed in a motorcycle accident last week. Geertz stated a motorcycle procession escorted his brother's body back from Kansas City, MO yesterday. Geertz stated they received support from emergency personnel throughout the entire route, but not a single Muscatine County deputy, City of Muscatine police officer or firefighter were present to support the procession through Muscatine County and the City of Muscatine. Geertz stated he was told the Sheriff issued a memo that none of his people were to support this event. Sauer stated he contacted MUSCOM because he was unable to reach Sheriff Ryan and was told there were no personnel available for the procession. Sauer stated Sheriff Ryan returned his call and told him there were only two deputies on patrol at the time who were unavailable and that he looked for volunteers to participate, but no one volunteered. Geertz expressed concern that there were only two deputies on duty for the entire county on a Sunday. Geertz stated he talked to one deputy who would have volunteered if allowed, but was told his job would be in jeopardy if he volunteered. Geertz requested the Board begin an investigation and suspend Sheriff Ryan. Geertz stated Sheriff Ryan, the County and the City of Muscatine disrespected his brother and all veterans. Mather explained that Sheriff Ryan is an elected official and the Board has no oversight of his office and no ability to suspend him. Mather stated the County Attorney is the only person who can take action against an elected official if the law has been broken. Mather stated he will talk to the County Attorney and suggested Geertz also talk to him. Geertz stated he will not talk to the County Attorney because of discrimination by the Sheriff and County Attorney against motorcyclists.
