

City of Muscatine

AGENDA ITEM SUMMARY
City Council

DATE: 10/15/20

STAFF

Brian Stineman, Public Works Director

SUBJECT

Installation of All-Way stop at Duncan Drive and Fulliam Avenue

EXECUTIVE SUMMARY

With the completion of street paving in the Arbor Commons Subdivision, traffic volume is expected to increase at the intersection of Duncan Drive and Fulliam Avenue. Currently this intersection is posted as a temporary all-way stop. Staff recommends that this be changed to a permanent all-way stop and requests council approval to make this change.

STAFF RECOMMENDATION

Approve the request to install permanent stop signs at all four legs of the intersection of Duncan Drive and Fulliam Avenue.

BACKGROUND/DISCUSSION

With the completion of street paving in the Arbor Commons Subdivision traffic volume is expected to increase at the intersection of Duncan Drive and Fulliam Avenue. Currently this intersection is posted as a temporary all-way stop. Staff recommends that this be changed to a permanent all way stop and requests council approval to make this change.

CITY FINANCIAL IMPACT

Cost for the sign installation will be absorbed in the Traffic Control budget.
