### EXECUTIVE SUMMARY

The Building & Grounds Division of Public Works requests to issue purchase orders for a new maintenance van and interior van shelving. Three quotes were received for the van and shelving with the lowest responsible bid for the van from Krieger's at \$23,800 and the low bid for shelving from Corid.com at \$2,584.03. \$32,000 was budgeted for this van in the Building & Grounds Vehicle Replacement Fund.

### STAFF RECOMMENDATION

---

Staff recommends Council approve issuing a purchase order to Krieger's for \$23,800 and Carid.com for shelving for \$2,584.03 for a total of \$26,384.03

### BACKGROUND/DISCUSSION

---

The current van has many issues including the frame almost rusted through, cracked exhaust manifolds, weak springs and several other items. City Vehicle Maintenance has determined it to be too costly to repair and bordering on to unsafe to drive.

Three quotes were received for the van. Krieger's bid \$23,800 for 2021 Chevrolet Express cargo van 2500, Krieger's also bid \$25,574 for a 2021 Ford Transit. The last bid received was from Stew Hansen Dodge City for a 2021 Ram ProMaster 2500 for \$29,999. Three quotes were also received for the shelving: Zequip for \$2948, Workvan.com for \$2,811 and finally Corid.com for \$2,584.03

### CITY FINANCIAL IMPACT

---

\$32,000 was budgeted for the purchase from the equipment replacement fund.
