

Muscatine County Board of Supervisors
Monday, October 19, 2020

The Muscatine County Board of Supervisors met in regular session with Holliday, Sauer, Mather and Saucedo present. Sorensen was absent. Vice-Chairperson Saucedo presiding.

On a motion by Mather, second by Holliday, the agenda was approved as presented. Ayes: All.

On a motion by Mather, second by Sauer, claims dated October 19, 2020 were approved in the amount of \$2,930,448.17. Ayes: All.

A Public Hearing was called to order by Vice-Chairperson Saucedo at 9:01 A.M. on a request from Kirk and Kim K. Latta, Trust, Record Owners, to rezone approximately 36.79 acres located in Moscow Township, 1172 N. Isett Avenue, West of N. Isett Avenue, in the SE $\frac{1}{4}$ of Section 10-T78N-R2W, from A-1 Agricultural District to R-1 Residential District. Planning and Zoning Administrator Eric Furnas stated the Zoning Commission held a public hearing and recommended the Board of Supervisors deny the rezoning on September 11, 2020. Furnas stated the CSR is 50 and there is no tillable ground on the property. Kirk Latta stated his daughter would like to build a house on the parcel which is close to the Wilton City limits, within 500 feet of his house, within 1,200 feet of a paved road, 2,400 feet from a hog confinement facility, 1,800 feet from Hwy 6 and 3,500 feet from a chicken confinement facility. Latta stated he has no plans to further subdivide the parcel. Mather suggested only the 4+ acres needed for the daughter's home be rezoned. Furnas stated the Zoning Commission looked at the long term impact and how it could be considered spot zoning setting a precedent for others in the area to push for residential development. Furnas stated the Zoning Commission also felt the aging bridge to the north could cause more traffic if residential development is encouraged in this area. Sauer stated he struggles with this because of the access to it, the bridge on the north end would run a million dollars to replace, confinement operations are already in place in that area, so he does not see this being the direction for expansion for Wilton. Latta stated they can go down to Hwy 6 to get access. Holliday stated his concern is what developing would do to the gravel road if the rest of the area is ever developed. Furnas stated if the Board wants to rezone a smaller acreage for just the house, a survey would have to be done. Mather stated there is limited development in that quarter section due to the flood plain and he is more concerned with the quarter section to the south and he would not want to put tax payer dollars into a bridge accessed by a few cars a day. Latta stated he would have gone for a special use, but the distance was 500 feet to his house so it did not meet the 750 foot minimum. In response to a question from Holliday, Latta stated he would like to have his daughter and grandchildren living close to him. No one spoke against the rezoning. On a motion by Mather, second by Sauer, the public hearing was closed at 9:27 A.M. Roll call vote: Ayes: All.

On a motion by Mather, second by Holliday, the Board denied an ordinance rezoning approximately 36.79 acres in Moscow Township from A-1 Agricultural District to R-1 Residential District on the first of three readings with the understanding Latta can survey the smaller parcel and resubmit it to the Zoning Commission. Roll call vote: Ayes: All.

A Public Hearing was called to order by Vice-Chairperson Saucedo at 9:29 A.M. on a request from Allen F. or Alberta M. McCleary, Record Owners, and Mathew L. McCleary, Contract Holder & Applicant, to rezone approximately 7.21 acres located in Seventy-Six Township, in the SE ¼ of Section 1-T76N-R3W, from A-1 Agricultural District to R-1 Residential District. Planning and Zoning Administrator Eric Furnas stated the Zoning Commission held a public hearing and approved the rezoning on September 11, 2020. Furnas stated land use plan supports residential development in this area on the north side of Burlington Road. Mathew McCleary purchased this property with the intent of building on it someday. The foundation is still there from a home that used to be on that property. No one spoke against the rezoning. On a motion by Mather, second by Sauer, the public hearing was closed at 9:32 A.M. Roll call vote: Ayes: All.

On a motion by Sauer, second by Holliday, the Board approved an ordinance rezoning approximately 7.21 acres in Seventy-Six Township from A-1 Agricultural District to R-1 Residential District on the first of three readings. Roll call vote: Ayes: All.

On a motion by Mather, second by Holliday, the Board approved Resolution #10-19-20-01 Approval of the Combined Preliminary and Final Plat of Carey Bend Acres, Second Addition. Roll call vote: Ayes: All.
