Brian Stineman, Public Works Director

Randy Howell, Roadway Maintenance Supervisor

SUBJECT

Purchase of a Stainless Steel Dump Body for 4x4 Truck Chassis

EXECUTIVE SUMMARY

Public Works requests to approve the purchase of a stainless steel dump body that will be mounted to the new 4x4 truck chassis. City Staff received three bids on November 5, 2020. The low bid that met our specifications was from Henderson Products from Manchester, Iowa. The amount of the dump body is \$16,102.00. Funding for this purchase is available in the Roadway Maintenance Budget.

STAFF RECOMMENDATION

Staff recommends Council approve the Purchase of a new stainless steel dump body to be mounted to the new 4x4 truck.

BACKGROUND/DISCUSSION

A new 1 Ton 4x4 Truck Chassis was approved in the FY2020/21 budget but was deferred due to concerns of funding available due to Covid-19. Assuming the 4x4 chassis is approved by council this dump body will be attached to that chassis.

City Staff received three bids on November 5, 2020. The low bid that met our specifications was from Henderson Products from Manchester, Iowa. The amount of the dump body is \$16,102.00. I recommend purchasing the new stainless steel dump body from Henderson Products from Manchester, Iowa, in the amount of, \$16,102.

CITY FINANCIAL IMPACT

Funding is from the Road Use Tax Fund. This was approved during the 2020/2021 Budget Meetings under the Roadway Maintenance.
