#### SUBJECT

Special Assessments

#### EXECUTIVE SUMMARY

---

Presented for City Council's consideration is a resolution authorizing the assessment of unpaid nuisance abatement costs to private properties. The nuisance abatement costs total \$8,022.86, the administrative fees are \$1,425.00, and the assessment fees are \$2,250.00. The total fees being requested for assessment at this time total \$11,697.86.

#### STAFF RECOMMENDATION

---

Staff recommends approval of the resolution to assess the unpaid nuisance abatement costs to their respective properties.

#### BACKGROUND/DISCUSSION

---

The City's contractor has provided nuisance abatement services at the properties listed on the attachment. Dates of service are from February 2020 to September 2020. The City was billed for these services and has subsequently paid the contractor. Assessing the outstanding bills to the property taxes will help the City recoup its costs.

Many of these properties are vacant and are routinely maintained by the City Contractor against nuisance violations for weeds and snow removal where applicable. Assessing the fees allows the City the opportunity to be reimbursed at the time the property is sold or a tax certificate is claimed. Other properties are occupied, in which case the owner was billed for the services provided. If the initial invoice to the property owner is not paid a late notice is sent prior to requesting assessment.

A \$50.00 assessment fee has been added to each property to cover processing costs. Additional fees are charged by the County for each assessment.
