Ordinance on Final Reading Establishing TIF Districts
Resolutions (3) Approving Development Agreements

EXECUTIVE SUMMARY

There are four actions needed to finalize the Development Agreements for three new housing-related projects which include the Grandview Senior Lofts, Colorado Senior Lofts, and Steamboat Apartments projects. Public hearings were set for February 18 for the three proposed development agreements. After the public hearings, the following items will need to be considered by City Council:

1. At the February 4, 2021 meeting, City Council approved the 1st reading of the Ordinance establishing TIF districts for the Colorado Senior Lofts project and the Steamboat Apartments project. The Grandview Lofts project is in an existing TIF district. The 2nd reading of this ordinance was approved at the February 11, 2021 In Depth meeting.

For City Council consideration is a request to adopt the ordinance on 3rd and final reading to create the TIF districts for the Colorado Lofts and Steamboat Apartments projects.

2. Resolution Approving Development Agreement with Grandview Senior Lofts LLC, Authorizing Annual Appropriation Tax Increment Payments and Pledging Certain Tax Increment Revenues to the Payment of the Agreement. This agreement provides for Tax Increment Financing (TIF) assistance to construct 51 units of senior housing on Grandview Avenue.
3. Resolution Approving Development Agreement with Colorado Senior Lofts LLC, Authorizing Annual Appropriation Tax Increment Payments and Pledging Certain Tax Increment Revenues to the Payment of the Agreement. This agreement provides for TIF assistance to construct 51 units of senior housing on Colorado Street.
4. Resolution Approving Development Agreement with JNP Family 1, LP and Ales Foundation, Authorizing Annual Appropriation Tax Increment Payments and Pledging Certain Tax Increment Revenues to the Payment of the Agreement. This agreement provides for TIF assistance to

construct 42 units of rental housing units on Steamboat Way for low and moderate income individuals and families.

STAFF RECOMMENDATION

Staff recommends approval of the ordinance on 3rd and final reading establishing TIF districts and the three resolutions approving the development agreements.

BACKGROUND/DISCUSSION

At the February 4, 2021 meeting, the City Council approved the February 2021 Urban Renewal Plan Amendments. With these projects now in the City's Urban Renewal Plan, the City can move forward with the Development Agreements for these projects. The Plan Amendment included six items:

1. The City's previous Urban Renewal Area was the City boundaries at the time the Urban Renewal Area was last amended in November of 2018. This Urban Renewal Plan Amendment amended the Urban Renewal Area to include property recently annexed into the City for the Colorado Senior Lofts project.
2. At the June 11, 2020 In Depth meeting, City Council reviewed a request to amend the development agreement with Hershey Property LLC and Bush Development LLC to increase the maximum amount of the rebate to an amount not to exceed \$700,000. At that meeting, City Council gave consensus approval of this request with the formal approval of an amended development agreement to be considered at a later date. The public hearing on this Development Agreement amendment will be separately scheduled for March.
3. The March 2018 Urban Renewal Plan Amendment included \$600,000 for the Small Business Forgivable Loan Program for FY 2019 through FY 2024. The original plan was that \$100,000 per year would allocated for this program. The City used a portion of this allocation for the special "Economic Assistance for Muscatine Small Businesses" program for small business impacted by the COVID-19 public health crisis. The current Urban Renewal Plan amendment will restore the \$100,000 per year in annual funding for the regular Small Business Forgivable Loan program through FY 24.
4. There are three new housing-related development agreements in this Urban Renewal Plan Amendment including (1) MVHA Partners (Miller-Valentine) - TIF assistance to construct 51 units of senior housing on Grandview Avenue; (2) MVHA Partners (Miller-Valentine) - TIF assistance to construct 51 units of senior housing on Colorado Street; and (3) JNP Family 1, LP and Ales Foundation - TIF assistance to construct 42 units of rental housing units on Steamboat Way for low and moderate income individuals and families. City Council gave consensus approval of these projects at the February 20, 2020, meeting. All three of these projects were awarded the tax credits needed to move forward with these projects.

CITY FINANCIAL IMPACT

The City funding for the three housing-related projects will be from future incremental property taxes (TIF) funds, and as such, will have no impact on the current City budget. The Housing Demand Study completed in September of 2017, demonstrated a need for the three additional multi-family housing projects.
