### STAFF RECOMMENDATION

---

Staff recommends the issuance of a purchase order in the amount of \$9,600.00 to Elliot equipment Company

### BACKGROUND/DISCUSSION

---

Each year funds are budgeted for the purchase of new dumpsters. These new dumpsters are for the replacement of existing dumpsters used by commercial customers that have rusted out or for additional commercial customers requesting our service. We currently have three commercial customers requesting our weekly collection service on a waiting list for dumpsters. Three quotes were taken;

Elliott Equipment of Davenport for Parkan Dumpsters, \$9,600.00

Mid Iowa Solid Waste Equipment of Johnston for AmeriCan dumpsters, \$9598.74

Gregory Container of Kahoka Missouri for Gregory dumpsters, \$8034.00

Staff will have to pick up dumpsters at any of the three locations.

Collection staff have requested that we continue to purchase the Parkan dumpsters due to the ability to roll them easier, hook them up to the truck easier and the durability of the dumpsters.

### CITY FINANCIAL IMPACT

---

There is \$9274.40 available in the Refuse Collection capital budget for this purchase. The remaining \$325.60 would be absorbed in the Refuse Collections operating budget.
