#### SUBJECT

---

Special Assessments

#### EXECUTIVE SUMMARY

---

Presented for City Council's consideration is a resolution authorizing the assessment of unpaid nuisance abatement and rental housing fees to private properties. The nuisance abatement costs total \$2,282.88, rental housing fees total \$1,749.00, the administrative fees are \$1,000.00, and the assessment fees are \$1,350.00. The total amount being requested for assessment at this time total \$6,381.88.

#### STAFF RECOMMENDATION

---

Staff recommends approval of the resolution to assess the unpaid nuisance abatement and rental housing fees to their respective properties.

#### BACKGROUND/DISCUSSION

---

The City's contractor has provided nuisance abatement services at the properties listed on the attachment. Dates of service are from December 2020 to January 2021. The City was billed for these services and has subsequently paid the contractor. Assessing the outstanding bills to the property taxes will help the City recoup its costs.

Many of these properties are vacant and are routinely maintained by the City Contractor to avoid nuisance violations for weeds and snow removal where applicable. Assessing the fees allows the City the opportunity to be reimbursed at the time the property is sold or a tax certificate is claimed. Other properties are occupied, in which case the owner was billed for the services provided. If the initial invoice to the property owner is not paid a late notice is sent prior to requesting assessment.

In addition, the Community Development Department staff provided rental housing services for properties listed on the attachment, including but not limited to, property inspections and Rental Facility License issuance as required per the Muscatine Rental Housing Code. Dates of service are from August 2020 to September 2020. The City billed the owner for the services provided multiple invoices prior to requesting assessment. In accordance with Title 16 of City Code, if the initial invoice to the owner is not paid a second invoice is sent with a \$25 late payment penalty fee. Then if the second invoice is not paid,

a third and fourth invoice are sent with 1.5% interest being accrued on each invoice. A final payment notice is sent with the fourth invoice notifying the owner of the deadline to avoid the outstanding balance being assessed to the property taxes. Assessing the outstanding bills to the property taxes will help the City recoup its costs.

A \$50.00 assessment fee has been added to each property to cover processing costs. Additional fees are charged by the County for each assessment.

### **CITY FINANCIAL IMPACT**

---

Fees are to reimburse the City for expenses associated with unabated nuisance violations and for provided rental housing services. If assessments are not approved or are reduced, payments to the contractor and providing rental housing services without charge will impact the general fund.
