### SUBJECT DOT

---

Request to Authorize the 2021/22 City Deer Hunt

### EXECUTIVE SUMMARY

---

Please accept this correspondence and the attached information as a request for the City Council to authorize the 2021/22 City Deer Hunt. Prior to each deer hunting season and according to City Code Title 6 Police and Public Safety Regulations, Chapter 3 Weapons, Section 6-3-20 Bow Hunting Deer, Item A "The hunt shall be authorized by action of the Muscatine City Council prior to October 1<sup>st</sup> of each year, during the time when such hunting is allowed by the law and regulations of the State of Iowa".

### STAFF RECOMMENDATION

---

At this time, the City Staff would recommend that the Muscatine City Council approve the 2021/22 City Deer Hunt as outlined in the City Code Title 6 Police and Public Safety Regulations, Chapter 3 Weapons.

### BACKGROUND/DISCUSSION

---

Since the 2006-07 Deer Hunting Season, the City of Muscatine has participated in a citywide deer hunt program with the guidance of the Iowa Department of Natural Resources. Attached please find the 2020/21 Deer Hunt Report. The report will show that we have experienced minimal issues while successfully managing our deer population.

If authorized, the hunt will again be for bow hunting on approved private property with two (2) acres or more. Property owners may combine contiguous parcels to reach the two (2) acre minimum. The hunt will run from Saturday, September 11, 2021 through Monday, January 10, 2022. The required proficiency test will be for the hunter to successfully shoot 3 of 5 arrows in a 5-inch circle from a 20-yard distance. Only two chances will be allowed in one day. There was a citizen that requested to review potential public property areas be made available to hunt in future years and staff will research this in the fall.

## CITY FINANCIAL IMPACT

---

There will be no direct financial impact to the City by authorizing the deer hunt. Potential savings to citizens could be achieved by having less deer in our community thus causing less motor vehicle accidents and less landscape destruction.

2020/21 Deer Hunt Report

Memorandum  
July 9, 2021

TO: Carol Webb, City Administrator  
FROM: Richard Klimes, Director of Parks and Recreation  
SUBJECT: 2020-21 City Deer Hunt Report

Please accept this memo and the attached information as a summary report for the 2020-21 City of Muscatine Deer Hunt Program.

As you are aware, since the 2006-07 deer hunting season, the City of Muscatine has participated in a Deer Management Zone Program in collaboration with the Iowa Department of Natural Resources. The total deer harvest results are listed below with specific results attached:

Year	2006 -07	07- 08	08- 09	09- 10	10- 11	11- 12	12- 13	13- 14	14- 15	15- 16	16- 17	17- 18	18- 19	19- 20	20- 21	15 Years
Total	35	72	55	43	27	47	30	34	41	40	54	61	61	62	57	719

The 2020-21 City Deer Hunt Program details are as follows:

- The preseason hunt meeting took place on August 19, 2020, with 40 hunters in attendance.
- The hunting proficiency test dates were August 29, September 2 and September 9, 2020. Special times were scheduled as groups could be coordinated with available staff times. The test consisted of successfully shooting 3 of 5 arrows in a five inch circle from a 20 yard distance. Only two chances were allowed in one day. There were 40 hunters that passed the test.
- The City of Muscatine Deer Management Zone Hunt was Saturday, September 12, 2020, to Sunday, January 10, 2021.
- A total of 200 deer tags were available to hunters wishing to participate. An additional 100 tags were made available upon request this year. The tags were available for purchase at the County Recorder's Office.
- A total of 24 hunters took the 57 deer killed in this season's hunt (47 doe, 6 buck, 4 button buck).

In summary, the 2020-21 City of Muscatine Deer Management Zone Hunt was successful in that it allowed for the controlled reduction of the deer population. According to the IDNR, we are accomplishing our goal and we are in a maintenance mode instead of an eradication mode.

Thank you for your time and attention to this matter. Please contact me if you have any questions, comments, or concerns.
