#### STAFF RECOMMENDATION

---

Staff recommends Council approve a purchase order in the amount of \$11,919.50 to Rehrig Pacific Company for the purchase of 170- 95 gallon refuse carts.

#### BACKGROUND/DISCUSSION

---

Residents of the City of Muscatine and Fruitland have the option to choose the size of refuse cart used for the residential collection program. Residents also may choose to switch to a larger cart if the one currently issued is too small. Every year funds are budgeted for the purchase of 95 gallon carts in order to replace broken carts and provide larger carts when requested. All of the carts that the City owns are from Rehrig Pacific. Staff requests that carts are continued to be purchased from this company for consistency, warranty, durability and having repair parts stocked for one brand of carts.

#### CITY FINANCIAL IMPACT

---

The FY 2022 Refuse capital budget has \$12,000.00 approved for the purchase of 95 gallon carts.
