Randy Howell, Roadway Maintenance Supervisor

### SUBJECT

---

Request to Approve the Issuance of a Purchase Order for the Purchase of a One Ton Dump Body

### EXECUTIVE SUMMARY

---

Public Works requests to issue a purchase order to Henderson Manufacturing Inc., in the amount of \$19,658.00 for the purchase of a stainless-steel dump body for a recently ordered 2022 one-ton truck chassis. City Staff received four bids on July 15, 2021. The low bid was from Henderson Manufacturing Inc., of Manchester, Iowa. Funding for this equipment is available in the Roadway Maintenance Budget.

### STAFF RECOMMENDATION

---

Staff recommends the Council approve the bid from Henderson Manufacturing Inc., for the dump body for the new 1-ton truck chassis.

### BACKGROUND/DISCUSSION

---

Every few years, Public Works sends out a bid tab sheet requesting companies to bid on 1-Ton Truck Chassis, and the dump body. This will complete the unit and make a usable dump truck.

City Staff received four bids on July 15, 2021. The low bid was from Henderson Manufacturing Inc., Manchester, Iowa. I recommend we accept the bid price of \$19,658.00 from Henderson Manufacturing Inc. The budgeted amount for this dump body for the new 1 Ton Truck Chassis is \$16,000.00. The remaining funding will be absorbed in the Roadway Maintenance Budget.

### CITY FINANCIAL IMPACT

---

Funding is from the Road Use Tax Fund. This was approved during the 2020/2021 Budget Meetings. This was approved by the City Council, under the Roadway Maintenance Budget.
