City Administrator

**Activity:**  
**Equipment Replacement Subsidy**

**GENERAL INFORMATION**

The Equipment Replacement Special Revenue Fund was established in an effort to provide a more systematic method of replacing equipment and leveling the cost of replacing such equipment. This activity has funded equipment replacements in the General Fund with the exception of equipment eligible for Road Use Tax funding. Equipment to be replaced in the Enterprise Funds is funded directly from each Enterprise activity.

A comprehensive inventory of all equipment currently owned by the City including autos, pickup trucks, dump trucks, heavy equipment and other miscellaneous equipment has been completed in an effort to assess the overall condition of the City's inventory. Staff has developed a replacement and cost schedule for each piece of equipment. An equipment maintenance cost program has also been developed and is used in conjunction with the replacement schedule to determine the most cost effective and economical time to replace City equipment.

Annual funding transfers have normally been made from the General Fund to fund current requirements and to anticipate and prepare for future equipment replacement needs. Over the last ten years these amounts have ranged from zero in 2007/2008 to \$245,000 budgeted for 2012/2013. A history of funding levels is shown in the following chart:

**CURRENT TRENDS AND ISSUES**

Due to funding limitations no transfer to this reserve from the General Fund was budgeted in 2007/2008. For 2007/2008 capital equipment items totaling \$126,700 were funded from the June 2008 general obligation bond issue. For 2008/2009 a funding allocation of \$75,000 was included in the budget and the funding transfer increased to \$152,300 in 2009/2010, further increased to \$200,000 in 2010/2011, and decreased to \$168,900 for 2011/2012. The budgeted transfer for 2012/2013 is \$245,000. The larger transfer for 2012/2013 will fund five new police squad cars, a used vehicle for the police department, a used vehicle for the community development department, a mower for the cemetery, and a large mower and a used pickup truck for the park maintenance division. Additional information on the Equipment Replacement Fund is included in the Special Revenue Funds section of this document.
