**MEMORANDUM**

**To:** Mayor and City Council Members  
**Cc:** Gregg Mandsager, City Administrator  
**From:** Steven Boka, Director of Community Development  
**Date:** June 29, 2012  
**Re:** Request to Purchase Used Vehicle – Community Development

---

**INTRODUCTION:** A request to replace vehicle used by the Health & Housing Coordinator was made to replace the former police vehicle he was using when it went out of service.

**BACKGROUND:** The Health & Housing Coordinator is in need of a replacement vehicle that was discussed during budget review with City Council. The Coordinator has been using an old police cruiser for the last several months that was taken out of police service and has maintenance issues and lacks adequate heating and air conditioning. Since the Health and Housing Coordinator spends most of his day in the "field" conducting health & rental inspections, he spends most of his time in a vehicle that essentially serves as a mobile office. As a result the vehicle is used for multiple inspection functions, in all types of conditions, and requires space for a mobile computer, printer, inspection equipment, safety equipment, testing equipment, etc.

**RECOMMENDATION/RATIONALE:** The Coordinator has located a 2009 Pontiac Torrent AWD that will provide adequate year-round service. The white vehicle has 54k miles and comes with a one-year bumper-to-bumper warranty. \$17,500.00 was authorized in the FY12/13 Budget and the final purchase price is \$17,250.00. The City Council is requested to authorize the issuance of a purchase order to Krieger Motor Company of Muscatine in the amount of \$17,250.00 for the purchase of a 2009 Pontiac Torrent AWD for the Health & Housing Coordinator, as approved in the FY 12/13 Budget.

### Expert Reviews:

**Edmunds.com:** Thanks to its long wheelbase, the Torrent SUV offers plenty of room for its occupants. To make way for larger passengers or cargo, the 60/40-split rear seat can slide nearly 8 inches fore and aft.

**newCarTestDrive.com:** The Torrent offers good handling for the class without any sign of harshness to the ride. The longest wheelbase and widest track in the class surely add to this capability.

**KBB.com:** Generally friendly and inviting, the quiet-running Torrent is easy to drive, stays on course easily and body lean through curves is less than for some of its competitors. All told, the Torrent feels a touch more tightly-crafted and capable than its GM mates.
