RE: Stop Sign Request: Bandag Drive & Colorado

**INTRODUCTION:**

The City's Traffic Committee has received a request to install a Stop Sign on Bandag Drive at Colorado Street.

**BACKGROUND:**

Recently the City of Muscatine constructed a connecting road from Harrison to Bandag Drive. This new street is generating considerable traffic primarily because of Colorado School. It is anticipated there will be even greater use of this roadway when Colorado Street is under construction. A Stop Sign has been installed at the intersection of Harrison and Bandag Drive.

**RECOMMENDATION/RATIONALE:**

The City's Traffic Committee has reviewed this request and determined that a Stop sign is warranted at the T intersection of Bandag Drive and Colorado due to the increased traffic flow from Harrison. We recommend this sign be approved by the Muscatine City Council and installed.
