CITY ADMINISTRATOR**MEMORANDUM**

To: Mayor Hopkins and City Council Members
From: Gregg Mandsager, City Administrator
Date: March 21, 2013
Re: Bruner Field Lease and Maintenance Agreement

INTRODUCTION:

Attached is the 2013 Bruner Field Lease and Maintenance Agreement (Lease). The City of Muscatine (City), the Muscatine Community School District (MCSD), and the Muscatine Community College (MCC) have historically had an agreement regarding the use and maintenance of Bruner Field.

RECOMMENDATION/RATIONALE:

The attached lease agreement allows for the exclusive use of Bruner Field by both MCSD and MCC. The City does not provide programming on site. Any additional use of Bruner Field would be scheduled through MCSD and MCC.

The attached lease allows for the long-term use of Bruner Field (20 years renewable) for four main reasons. This agreement allows for MCSD and MCC use of the field, maintenance of the field, for the field to be insured (a lease or ownership is required by the insurance company), and for any potential capital improvements to the site.

Given this is simply a continuation of the current and past arrangements and that it clearly lays out each entities roles and responsibilities, I recommend City Council approval of the attached lease agreement.

1. Lease and Term. The City agrees to the exclusive lease of the Premises to MCSD and MCC, as joint and several tenants, for a Twenty (20) year period from July 1, 2013 through June 30, 2033. This agreement will renew annually thereafter, unless terminated pursuant to this Agreement.
2. Cost. MCSD and MCC agree to pay the City the sum of \$1.00 each for each year of this contract, which amount shall be due and payable on July 1st of each year.
3. Co-Principals. MCSD and MCC agree to serve as co-principals for this contract, and will be joint and severally liable for the same. As co-principals, MCSD and MCC will be responsible for the preparation and on-going maintenance of the baseball diamond and field at Tom Bruner Field.
4. Use. The Tenants shall have the right to use and operate the Premises for any baseball or non-baseball event that they sponsor, provided that they operate the Premises in a sound and professional manner. Tenants may not use the Premises, or permit any other person or entity to use the Premises, for any improper, immoral or unlawful purpose, for a use or purpose inconsistent with applicable zoning, or for any use that would constitute a public or private nuisance or would make void or voidable any insurance then in force with respect to the Premises. The Premises shall be a public facility, and the seating, parking, concession stands, restroom facilities and other specified areas thereof shall be open to the public, subject to reasonable admission fees and other reasonable restrictions.
5. Contact. Annually, a member of the City, MCSD and MCC staff will be identified as the point of contact for facility issues.
6. Maintenance. MCSD and MCC shall provide all materials and supplies necessary, and be responsible for all maintenance and preparation of the baseball

diamond and associated facilities including: dugouts, backstop, bleachers, concession stand, restrooms, outfield wooden fencing, field playing field lighting, and storage and maintenance facility during their respective seasons. Each entity will be responsible for all expenses during their seasons including field marking material, gas for the mower and three wheeler, paint for the outfield foul lines, diamond dry, repair clay for mound and plate areas and any other miscellaneous items used for the everyday care of the field. In addition, a trash dumpster will be rented by each organization during their respective seasons. Members of the Muscatine Community College and the Muscatine Community School District staff will each identify an individual who will be responsible for the day-to-day and long-term maintenance of the baseball playing surface and surrounding facility at Tom Bruner Field during each respective season. That individual will be responsible for the supervision of staff to perform any necessary work. If the Tenants fail to maintain the Premises as herein requires, the City shall have the right to do so, at the Tenants' expense, and Tenants agree to reimburse the City for the reasonable costs to do so.

The scoreboard will continue to be maintained by the MCSD during all seasons. The City will continue to maintain the exterior chain link fences, exterior parking areas, and lighting for the parking lots.

7. Utilities. The City (via Muscatine Power and Water) agrees to continue to provide all necessary utilities, free of charge, for the Premises so long as this facility continues to receive free electrical service from Municipal Power and Water due to its status as part of the City's General Fund. In the event the Premises no longer received free electrical services, the Tenants shall be responsible for the cost of any and all utilities. The City shall not be responsible to Tenants in damages or otherwise if any utility shall become unavailable or for any interruption of utility service.

8. Admissions and Concessions. Except as otherwise set forth herein, Tenants shall have the right to charge reasonable admission fees for baseball or non-baseball events that they sponsor during their respective seasons (as set forth in paragraph 3), and to retain all revenues therefrom. Tenants shall also be allowed to sell concessions on the Premises during their respective seasons, and to retain all revenues therefrom. Tenants shall supply, at their own expense, all equipment, fixtures, supplies, and staff or other persons required or necessary to sell admissions and concessions on the Premises.

9. Insurance. MCSD and MCC agree to carry all necessary and appropriate property and liability insurance for the Premises, at their sole expense. Certificates of insurance will be exchanged as necessary.

10. Scheduling. The scheduling of Tom Bruner Field will be done by the Athletic Departments of MCSD and MCC. A copy of the schedule will be provided to the City.

11. Programs. The baseball programs and associated booster programs will continue to operate as they have in the past with independent schedules, budgets and goals.

12. Advertisement. Temporary (banners) outfield and sideline fence advertising may be instituted with the City's permission. Any revenues generated by advertising will be used for the sole purpose of the maintenance and continued renovation of Bruner Field.

13. Restoration. A plan for any additional restoration and upgrading of Tom Bruner Field will be submitted to the City for approval, as required by City code, prior to any work being done.

The Tenants shall maintain ownership of any and all capital improvements installed subsequent to this agreement and paid for by them, jointly or individually, to the Premises (including but not limited to utility sheds, outbuildings, fencing, scoreboards, lighting equipment, etc...). Upon termination or conclusion of this lease agreement for any reason, the Tenants shall have the option to remove said improvements from the Premises.

14. Kent-Stein Baseball Complex. The City agrees to lease the appropriate amount of space at the field #4 site at the Kent-Stein Baseball Complex for MCSD's use and maintenance of an equipment shed and for placement of a scoreboard.

15. Termination and Amendment. This agreement may be terminated at any time upon mutual agreement of all parties.

This agreement may also be unilaterally terminated ~~annually~~ upon written notice of termination by one party, delivered via certified mail to the point of contact for each of the other two parties ~~prior to December 1st~~. In the event of unilateral termination by either one of the Tenants, said termination will not terminate the agreement between the other Tenant and the City. In that event the remaining Tenant will assume the rights and responsibilities of the Tenant terminating the agreement unless an amendment to this agreement is mutually agreed to by the City and remaining Tenant.

In the event of unilateral termination by the City, MCSD and/or MCC shall have the option to use the Premises for the full calendar year (January 1st through December 31st) following receipt of the notice of unilateral termination.

This agreement may be amended at any time during this period by mutual consent of the parties involved. Review of this contract and its contents shall be conducted at the request of any one party.

16. Assignment. Tenants shall not have the right to assign this Lease or let or sublet the whole or part of the Premises without the written consent of the City.

18. Force Majeure. Each parties obligations to perform under this Lease shall be excused to the extent that such performance is prevented, delayed or rendered impracticable by events beyond that party's reasonable control, provided such party shall have exercised all reasonable efforts to avoid such events. Force Majeure shall not include financial inability to perform.

19. Governing Law. This Lease shall be governed by and construed in accordance with the laws of the State of Iowa.

IN WITNESS WHEREOF, the City, MCSD and MCC have executed this Lease Agreement on the day and year first written above.
