Kirk Butcher, Butcher Plumbing, is requesting Oak Street be closed between Woodlawn and Maple for a period of 2-3 days in order to replace a collapsed house service at 1313 Oak Street. The connection into the city's sanitary system is on the opposite side of the street. Because of this it is not possible to keep one lane open during construction. Residents in the neighborhood have access to their homes by way of alleys.

Request city council's approval at the June 20th meeting. If you have any questions please let me know. R. Hill
