

MEMORANDUM
July 15, 2013

TO: Gregg Mandsager, City Administrator
FROM: Richard Klimes, Director of Parks and Recreation *JK*
DATE: July 15, 2013
RE: Park Maintenance Building Project – Professional Services

INTRODUCTION:

Please accept this memo and the attached document as a request for approval of a Professional Services Agreement with Thomas McInerney Architect for the design and engineering of the Park Maintenance Building Project.

BACKGROUND:

The current Park Maintenance Building in Weed Park is a metal frame structure that was built in 1973. This facility is the central maintenance infrastructure repair site for all outlying park operations. The current facility is no longer adequate for our operations and is not in compliance with current maintenance facility safety standards.

As you are aware, the City Council approved this proposed project in the amount of \$275,000.00 in the latest budget process. Professional Services was approved at \$25,000.00 and building construction was approved at \$250,000.00.

RECOMMENDATION/RATIONALE:

At this time, the City staff would recommend that the City Council approve a Professional Services Agreement with Thomas McInerney Architect in the amount of \$19,900.00.

BACKUP INFORMATION:

1. Professional Services Submittal Forms
