The Honorable DeWayne Hopkins  
 Mayor of Muscatine  
 215 Sycamore  
 Muscatine, IA 52761-3840

Ref: Muscatine County  
 Project BRFN-038-1(14)—39-70  
 Notification Letter 2014-M-016  
 Bridge Deck Overlay on Iowa 38

Dear Mayor Hopkins:

This is official notification to your City Council that the Iowa Department of Transportation (DOT) proposes to let a bridge deck overlay project on Iowa 38 over Mad Creek 0.6 mile north of U.S. 61 on November 19, 2013. A part of said project lies within the city.

The work will be done in accord with the current Form 810034 "Agreement for Primary Road Extension Maintenance and Operation". Project costs will be paid from the Primary Road Fund and no charges will be made against the City. The project is proposed for construction during 2014.

Subject to the approval of, and without expense to the DOT, the City agrees to perform (or cause private utilities to perform), all relocations, alterations, adjustments or removals of existing utility facilities including but not limited to power, telephone and telegraph lines, natural gas pipelines, water mains and hydrants, curb boxes, utility accesses, sanitary sewers, and related poles, installations and appurtenances, whether privately or publicly owned, and all other facilities or obstructions which are located within the limits of an established street or alley and which will interfere with construction of the project, all in accordance with the Utility Accommodation Policy of the DOT.

Resident Engineer, Jeffrey Johnson, of Mount Pleasant, Iowa, telephone number 319-385-2211, will advise you of the contractor's proposed schedule when the information is available.

We would appreciate this project notification being included on your next City Council meeting agenda as a matter of information for the Council members.

If you have any questions concerning the work involved, please contact this office as soon as possible in order to expedite any possible changes.

Sincerely,

A handwritten signature in blue ink that reads "Jim Armstrong, P.E." The signature is fluid and cursive, with "Jim" and "Armstrong" connected.

Jim Armstrong, P.E.  
 District 5 Engineer
