

MUSCATINE POLICE DEPARTMENT
MEMORANDUM

TO: Gregg Mandsager, City Administrator
FROM: Brett Talkington, Chief of Police
SUBJECT: City Council Agenda Item declaring certain property surplus
DATE: 08-27-2013

INTRODUCTION:

The police Department would like to declare two of our old/retired squad light bars to be declared surplus property. These two light bars were replaced by two new light bars and installed on our newer squads.

BACKGROUND:

These were purchased approx. 4-6 years ago and were taken off a couple of our older squad cars that are no longer in service.

RECOMMENDATION/RATIONALE:

The police department has no further use for these two light bars, having replaced them with two newer more efficient light bars that are all LED. If approved, it is the police department's intention to sell one (1) of the light bars to another government agency (Muscatine County Sheriff's Department.) They are interested in purchasing the light bar for one of their vehicles. Considering the age/model of the light bars, the police department believes that a fair price for this light bar is \$300. The other light bar will be placed on the government surplus web page to be sold at a later date.
