RE: 2011 Curb & Gutter and Street Maintenance Program

**INTRODUCTION:**

A Resolution Setting a Public Hearing for the 2011 Curb & Gutter and Street Maintenance Program is submitted for City Council action at the April 21, 2011 meeting

**BACKGROUND:**

Annually the City allocates funds for concrete work needed on city streets during a construction season. This year the emphasis will be on Logan Street in anticipation of increased traffic when Cedar Street is under construction.

**RECOMMENDATION/RATIONALE:**

\$100,000 has been earmarked for curb & gutter and street maintenance work in 2011. Logan Street will be the primary target for improvements. Several full depth patches, some curb and gutter improvements and the installation of ADA ramps will be reconstructed.
