**MEMORANDUM**

**To:** Mayor and City Council Members  
**Cc:** Gregg Mandsager, City Administrator  
**From:** Steven Boka, Director of Community Development  
**Date:** April 15, 2011  
**Re:** Resolution Endorsing Airport Projects and Certifying Availability of Matching Funds

**INTRODUCTION:** Attached hereto please find the resolution endorsing FY12 municipal airport projects and certifying the availability of matching funds.

**BACKGROUND:** State of Iowa airport funding through the IDOT requires cities to take action to officially endorse airport improvement projects and state that they have local matching funds available to meet the 15% local share. It **does not** commit the City (financially) to move forward at this time. As with other airport projects, the City Council must specifically approve each project grant agreement during the respective fiscal year it is programmed and following a state and/or federal determination that funding is available.

For your information, the following projects are currently shown for possible state funding:

1. Obstruction Removal/Clearing of Trees between Highway 61 and Runway 24 (State \$59,500 – Local \$10,500)
2. T-Hangar Apron Drainage Improvements (State \$68,000 – Local \$12,000)
3. Hangar Access Road Security Project (State \$17,000 – Local \$3,000)

**RECOMMENDATION/RATIONALE:** With this in mind, please place the attached resolution on the agenda for City Council consideration during the April 21<sup>st</sup> meeting.
