COMMITTEE REPORTS:

Collections: Barb Christensen reported.

1) Gift from Nancy Purington – Nancy Purington gifted the “Meditation of the Mississippi: Genesis, 2009” painting to the Art Center. Nancy is an Iowa City artist who grew up along the Mississippi River and for many years the river has been a theme in her work. She had two major exhibits at the Muscatine Art Center; the most recent called “Twelve Views of Water” which was exhibited here in 2009. Barb is a longtime friend of Nancy’s and feels this painting will fit nicely in the Mississippi collection.

2) Wilmer Collection of eleven significant works of art is currently on view in the Musser Museum Gallery. Dorothy Johnson, Roy J. Carver Professor of Art History at the University of Iowa, will present a special lecture and tour of the Wilmer collection on Saturday, April 30, 2011, at 2:00 PM.

Building & Grounds: Barb Christensen reported

1) Waterproofing Wall in Musser Museum Basement - Jerry McKenzie of the City’s Public Works Department has obtained a proposal for \$6,858.00 from BMW Builders to correct this longstanding water problem. The cost of this project will come out of the Buildings & Grounds budget. No action required.

2) Walkway Lights – the lights are working.

3) Elevators - The City received a bid from KONE at a cost of over \$20,000 per elevator. Barb Christensen will continue to monitor the progress of this project and provide updates as this is a safety issue to both employees and visitors at the Art Center. The cost of this project will come out of the Buildings & Grounds budget. No action required.

4) Muscatine Branching Out and Keep Muscatine Beautiful planted 12 shade trees on April 16, 2011. The remaining trees to be planted when weather permits.

5) Landscaping Proposal for 1402 Mulberry – The City received a bid from BMW Builders for \$18,228.00 for Phase 2 of the landscape plan. This bid includes landscaping, stone removal, matching curbing, remove walls along drive. Following discussion, it was recommended since the funding for this project is coming out of the Art Center’s budget, that Barb Christensen request written bids from Kellor &

Kellor Landscape and Greenscape Turf & Design, Inc. The Finance Committee will determine whether the funding for Phase 2 will come out of the General Donation Trust or the Brad Burns Trust.

6) **Flagpole** – A 25 foot flagpole is on order to replace the existing pole at a cost of \$1,745.00 and \$480.00 to install. Hahn Ready Mix donated the concrete.

7) **Washer/Dryer** – The Art Center purchased a used washer/dryer at a cost of \$400.00. This enables the Art Center to wash and dry their linens at a significantly lower cost than outsourcing.

8) **Brick Walkway** – BMW Builders will have the walkway repaired before the Ice Cream Social. This project is budgeted out of the McWirter-Gilmore Trust.

Finance & Budget: Caren Luke reported.

1) **Financials** – February and March 2011 financials and Trust Fund reports were reviewed.

2) **HNI Charitable Foundation Grant** – Barb Christensen reported a \$5,000 grant was received from the HNI Charitable Foundation to fund the Civil War catalogue. One thousand copies to be printed and will be available for purchase at the event for \$5.00 each. Any unused funds from this grant will be put toward more catalogs or expenses of the Civil War programming.

3) **Community Foundation of Greater Muscatine Grant** – Barb Christensen reported a \$400.00 grant was received from the Community Foundation for the Civil War Encampment by the Third Iowa Calvary.
