RE: Heatherlynn Sewer Project

INTRODUCTION:

Parkview Condominium Association on Colorado Street is currently in Muscatine County outside City limits. Sanitary sewer to serve this development is planned as part of an annexation agreement.

BACKGROUND:

All sanitary sewer from the condominiums are currently on failing septic systems. There is not adequate area to properly construct new septic systems. Original plans for the Northeast Trunk Sewer in 1995 included a stub which would have served the area. However, the stub was deleted from the project. New plans have been prepared using the same stub to service the west condominiums. The remaining east condominiums will be served by extending existing sewer on Irish Ivy a short distance into the Parkview property. The bids will be received on August 2nd, 2011 with council approval of a purchase order for the work on August 4th, 2011.

RECOMMENDATION/RATIONALE:

Council approve plans and specifications for the Heatherlynn Sewer Project.
