RE: Council Action – Request NO PARKING on the West Side of the 300 Block of Oak Street

INTRODUCTION:

A request has been received from the HON Oak Steel Plant to post NO PARKING on the Southwest side of the 300 block of Oak Street across from the Oak Steel Plant office building.

BACKGROUND:

Safety and management personnel for HON's Oak Steel Plant are concerned with transport semi-trailers ability to negotiate the loading docks with vehicles parked along this portion of Oak Street. Vehicles belong primarily to HON employees and/or sales representatives.

RECOMMENDATION/RATIONALE:

The City's Traffic Committee has reviewed the request and concurs with the HON staff proposal. The attached map indicates where the NO PARKING will be posted (see red lines).
