WATER POLLUTION CONTROL

MEMORANDUM

To: Gregg Mandsager, City Administrator

Cc: Nancy Lueck, Finance Director

From: Roger Kirby, Director WPCP

Date: September 9, 2011

Re: Purchase a single axle dump truck

INTRODUCTION: A single axle dump truck for hauling grit and sand to the landfill was included for purchase with an estimated cost of \$70,000 in this year's operating budget. This truck is to replace a 1990 truck that the WPCP purchased from Public Works approximately 10 years ago.

BACKGROUND: Specifications were written and sent out for a formal bid. A total of five bids were received ranging from a high bid of \$78,678 from Hawkeye International to a low bid of \$72,308 from Truck Country Quad Cities. I have attached the low bid form from them.

RECOMMENDATION/RATIONALE: Staff has reviewed all of the bids and recommends accepting the low bid of \$72,308 from Truck Country Quad Cities. The truck meets or exceeds all of the specifications. Please include this item on the agenda for the September 15th, 2011 Council Meeting. There are other funds available in our regular operating budget that will cover the extra \$2,308. If you have any questions, please contact me. I will have all of the bid forms if anyone wants to see them.

CITY OF MUSCATINE
