MEMORANDUM

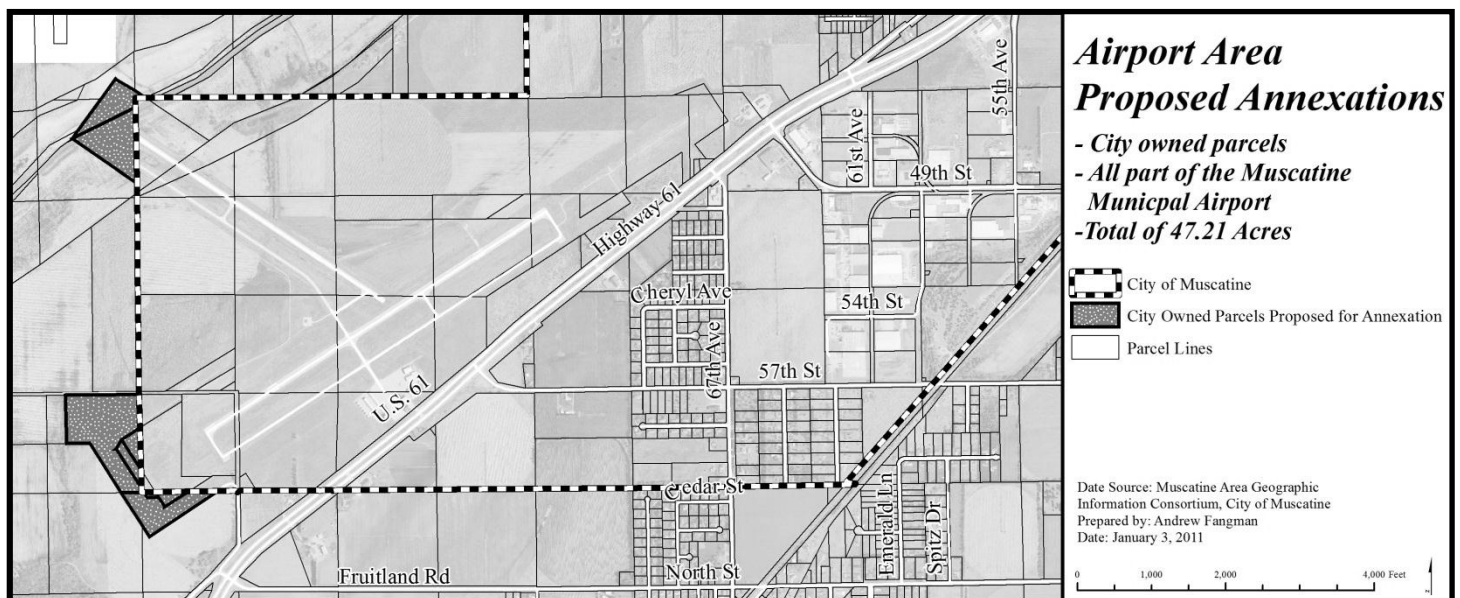

To: Planning and Zoning Commission Members

From: Andrew Fangman, City Planner

Date: January 10, 2012

Re: Request to discuss and determine if an on-site viewing of the proposed annexation areas located at the Muscatine Municipal Airport is desired

There are approximately 47 acres, owned by the City of Muscatine, located within the Muscatine Municipal Airport that is located outside the corporate limit line. Staff is starting the process to annex these City owned parcels into the City of Muscatine. The Commission is requested to discuss and determine if an on-site viewing should be scheduled in advance of any further action.
